CYO HOCKEY Season 2019/2020

RE: Out of Country Hockey games or tournaments

Parents may not be aware that their Hockey Canada insurance covers a maximum of \$5,000.00 for out of country hockey related incidents. This coverage only applies to the registered CYO player who is playing in an event outside Canada. All other families' members are not covered by this insurance.

This organization recommends that if you plan on attending any out of country games/tournaments you should ensure you have adequate coverage through your personal insurance policy or purchase additional private insurance for these events.

All Coaches and Managers are to ensure all parents are aware of this insurance limit prior to any travel out of country for sanctioned/approved exhibition games, tournaments, or practices.

This form must be completed and returned to the St. Catharines CYO Office before any travel permits for events in the United States are approved by the league.

Name of Player: _____

Parent/Guardian: I have read and am aware that Hockey Canada insurance only covers a maximum of \$5,000.00 for out of country hockey related incidents.

Parent/Guardian Signature: _____

Coach/Manager Signature: _____

Date: _____
